A serene bathroom interior featuring a white bathtub, a double vanity with two mirrors, and a potted plant. The scene is bathed in warm, soft light, creating a peaceful atmosphere. The vanity is a light-colored wood or stone with two sinks and two mirrors above them. To the left, a white bathtub is partially visible, and a small wooden stool holds some items. To the right, a potted plant stands near a window with sheer curtains. The overall design is minimalist and elegant.
