A bathroom vanity from the Lily collection. It features a light-colored wooden frame with two white rectangular sinks and dark metal faucets. Below the sinks are three drawers with dark metal handles. Underneath the drawers are two open shelves. The left shelf holds three rolled white towels and a white bottle. The right shelf holds a white bottle and a small basket. The vanity is set against a wall with vertical wood paneling. To the left is a potted plant, and to the right is a towel hanging on a rack and a wicker basket. The floor is covered in a patterned rug.

Lily collection

PURE & ELEGANT

Defined by an elegant frame and a light visual presence, the Lily. The collection offers a sense of purity and effortless elegance
