ABOUT US

GOLDEN FURNITURES CHINA & VIETNAM

With over 20 years of bathroom vanity manufacturer experience in China, Golden Furnitures Inc.
With the bathroom cabinet & countertop factory in Vietnam, to meet the needs of market development.

The bathroom vanity factory in Vietnam, with **200 workers**, covers a **30000 m2** area, a capacity of **60 containers/month**, and equips large and professional **Dust-free PU spray booths**, **5 production lines**, **32 sanding work benches**, **1 UV line**, professional edge sealing machine. We use new technology to make sure that the factory is clean and dust-free to meet the requirements of environmental protection

Our factory in China mainly takes charge of the design of new products, making samples, and quality control, while in Vietnam is responsible for mass production. We also set up the warehouse in CA, US, for providing samples, showroom, and after-sales service.

With the growing business, Golden Furnitures team also focuses on supporting products for cabinets like high-value hardware fittings. We are able to supply metal parts ourselves, such as iron, stainless steel, and brass, with all kinds of accessories for matching the cabinets.

Adhering to the“Quality First” concept, Golden Furnitures is known for its high quality and good reputation. We are committed to producing the highest quality products for our customers.

A soft, warm-toned photograph of a bathroom. In the center is a white vanity with two sinks and two mirrors above them. To the left is a white bathtub with a dark faucet. Above the tub are built-in shelves holding various bathroom items. To the right is a window with sheer curtains and a potted plant. The overall mood is calm and elegant.
